CONTENTS OF VOLUME 2 – SUPPLEMENTARY INFORMATION – Basis of Presentation

(a) Schedule of Public Sector Compensation Payments of $50,000 or More

(i) This schedule lists employees of Government Departments and of the Special Operating Agencies, who received compensation of $50,000 or more during the fiscal year. Amounts reported are calculated in accordance with The Public Sector Compensation Disclosure Act. This Act requires the inclusion of payments and other exceptional benefits not provided to the majority of employees. The amounts therefore do not include payments made or benefits accrued in relation to pension plans.

(ii) The compensation paid to employees who have been seconded to or from another organization is reported by the employer of record. Therefore, this report includes compensation paid to provincial employees who have been seconded to other employers and whose compensation is recovered from those employers, but does not report the compensation of employees of other organizations who are paid by that other body and whose compensation is recovered from the applicable Government Departments.

(iii) Employees are listed under the department or special operating agency that is indicated as the source of funds for the employee's position as at March 31st even though the employee may have been located under other department(s) and/or location(s) during the year.

(b) Statement of Payments to Corporations, Firms, Individuals, Other Governments and Government Agencies

(i) This statement lists, in alphabetical order within department or special operating agency, each payee whose total payments by that individual department or special operating agency exceeded $5,000 during the fiscal year. Payments are presented on a gross basis to show all amounts which were charged to the 2009-2010 fiscal period for the purchase of goods and services, investment and loan transactions, grant payments and refunds as well as payments from amounts held in trust on behalf of others.

(ii) This statement also lists, in alphabetical order within department, vendors from whom departmental purchases, using the National Bank of Canada procurement cards, equal to or exceeding $2,500 during the fiscal year.

(iii) Payments made to suppliers in the United States are presented in U.S. dollars.

(iv) Payments in other currencies are shown in the Canadian dollar equivalent at the time of payment.

(v) The location of the payee is shown except where payment was made to an address in Winnipeg or where the location is implicit in the name of the payee.

AUDITOR'S REPORT
Schedule of Public Sector Compensation Payments of $50,000 or More

To the Legislative Assembly of Manitoba:

In accordance with Section 9(3) of The Auditor General Act, we have audited the Schedule of Public Sector Compensation Payments of $50,000 or More of the Government Departments and Special Operating Agencies of the Province of Manitoba, for the year ended March 31, 2010. The Schedule is prepared in accordance with the provisions of the Public Sector Compensation Disclosure Act using the basis of presentation stated in the Introduction to Volume 2 of the Public Accounts. This financial information is the responsibility of the Government of the Province of Manitoba. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In our opinion, this Schedule presents fairly, in all material respects, public sector compensation payments of $50,000 or more of the Government Departments and Special Operating Agencies of the Province of Manitoba, for the year ended March 31, 2010, in accordance with the basis of presentation stated in the Introduction to Volume 2 of the Public Accounts.
